Dear Valued Vendor:

On behalf of the South Florida Water Management District, I extend my deepest appreciation to you and your staff for helping us weather the storms during an unprecedented hurricane season.

As a District contractor, you were a critical member of our emergency operations team as we prepared for, managed and recovered from Hurricanes Charley, Frances, Jeanne and the remnants of Ivan throughout our 16-county region. You were a key part of our success in minimizing serious widespread flooding in response to extensive rains related to the hurricanes.

In spite of the situation with your staff's own families and homes, you heeded the call for help and gave us the above-and-beyond support we needed. We couldn't have successfully managed our hurricane recovery activities without your expertise. We are fortunate and genuinely grateful for your assistance.

Sincerely,
