Dear Mr. Assenza,

I wanted to extend our appreciation to you for your firm's efforts during an unprecedented 04' hurricane season. You, your staff and resources were a critical component to our emergency operations team as we brought back to normalcy many of Broward Counties municipalities by cleaning up the storm related debris left by the Hurricane Season.

Your mobilization of clean up crews and hauling trucks gave us the support needed to successfully manage the recovery effort.

We appreciate your assistance during that difficult time.

Sincerely yours,
